Release Me (And Let Me Love Again)

Engelbert Humperdinck

Please release me, let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again

Oh I, I have found a new love, dear
And I, I will always want her near
Her lips are warm while yours are cold
Release me, my darlin', let me go

Please release me, let me go
For I don't love you anymore
To waste my life would be a sin
So release me and let me love again

Please release me, can't you see?
You'd be a fool to cling to me
To live a lie would bring us pain
Release me and let me love again
Let me go, let me go
