

There's A Kind Of Hush (All Over The World)

Engelbert Humperdinck

There's a kind of hush
All over the world, tonight
All over the world
You can hear the sounds of lovers in love
You know what I mean
Just the two of us
And nobody else concerned
There's nobody else
And I'm feeling good, holding you tight

So listen very carefully
Closer now, and you will see what I mean
(see what I mean)
It isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear
"I love you, forever and ever"

There's a kind of hush all over the world, tonight
All over the world, people just like us are falling in love

So listen very carefully
Closer now and you will see what I mean
(see what I mean)
No no, it isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear
"I love you, forever and ever"

There's a kind of hush all over the world, tonight
All over the world, people just like us are falling in love
Are falling in love
Falling in love
