

## There's A Kind Of Hush (All Over The World)

Engelbert Humperdinck

There's a kind of hush  
All over the world, tonight  
All over the world  
You can hear the sounds of lovers in love  
You know what I mean  
Just the two of us  
And nobody else concerned  
There's nobody else  
And I'm feeling good, holding you tight

So listen very carefully  
Closer now, and you will see what I mean  
(see what I mean)  
It isn't a dream (it isn't a dream)  
The only sound that you will hear  
Is when I whisper in your ear  
"I love you, forever and ever"

There's a kind of hush all over the world, tonight  
All over the world, people just like us are falling in love

So listen very carefully  
Closer now and you will see what I mean  
(see what I mean)  
No no, it isn't a dream (it isn't a dream)  
The only sound that you will hear  
Is when I whisper in your ear  
"I love you, forever and ever"

There's a kind of hush all over the world, tonight  
All over the world, people just like us are falling in love  
Are falling in love  
Falling in love
