

# There's a Kind of Hush

Engelbert Humperdinck

There's a kind of hush all over the world tonight  
All over the world you can hear the sounds of lovers in  
love  
You know what I mean  
Just the two of us and nobody else concerned  
There's nobody else, and I'm feeling good holding you  
tight

So listen very carefully, closer now  
And you will see what I mean (see what I mean)  
It isn't a dream (it isn't a dream)  
The only sound that you will hear  
Is when I whisper in your ear, I love you forever and  
ever

There's a kind of hush all over the world tonight  
All over the world people just like us are falling in  
love  
So listen very carefully, closer now  
And you will see what I mean (see what I mean)  
No no, it isn't a dream (it isn't a dream)  
The only sound that you will hear  
Is when I whisper in your ear, I love you forever and  
ever

There's a kind of hush all over the world tonight  
All over the world people just like us are falling in  
love  
Are falling in love  
Fallin' in love
