

This Is My Song

Engelbert Humperdinck

Why is my heart so light
Why are the stars so bright
Why is the sky so blue
Since the hour I met you
Flowers are smiling bright
Smiling for our delight
Smiling so tenderly
For the world, you and me
I know why my world is smiling
Smiling so tenderly
It is the same old story
Through all eternity

Love, this is my song
Here is a song, a serenade to love
The world cannot be wrong
If in this world, there is you
I care not what the world may be saying
Without our love, there is no day
So love, this is my song
Here is a song, a serenade to you

I care not what the world may be saying
Without your love, there is no day
So love, this is my song
Here is my song, a serenade to you
