

To The Ends Of The Earth

Engelbert Humperdinck

To the ends of the Earth
I'll follow my star
To the ends of the Earth
Just to be where you are

No matter where you roam
I'll never be far behind
Who cares
Where the path may wind
As long as I find you?

Though the melody dies
The song lingers on
And a thousand goodbyes
Won't convince me
You're gone

I'll follow you, my love
You'll never be free
To the ends of the Earth
Till you've given
Your love to me

No matter where you roam
I'll never be far behind
Who cares
Where the path may wind
As long as I find you?

Though the melody dies
The song lingers on
And a thousand goodbyes
Won't convince me
You're gone

I'll follow you, my love
You'll never be free
To the ends of the Earth
Till you've given
Your love to me
