

## Too young

Engelbert Humperdinck

They try to tell us we're too young  
Too young to really be in love  
They say that love's a word, a word we've only heard  
But can't begin to know the meaning of

And yet we're not too young to know  
This love will last though years may go  
And then someday they may recall  
We were not too young at all

They say that love's a word, a word we've only heard  
But can't begin to know the meaning of

And yet we're not too young to know  
This love will last though years may go  
And then someday they may recall  
We were not too young at all
