

You Are My Love

Engelbert Humperdinck

I never really told you how much you mean to me
The words get locked away and I can't set them free
Never really showed you what's going on inside
The joy of being near you
I always seem to

I wish I could throw the fear away
So I could come right out and say
Baby, I'm dying for you

You are my love, you are my live
When I'm lost you are the light
You are the sweetest thing
And I never gonna let you go
You are the sweetest thing
If only I could tell you so
I watched you when you were sleeping
Like a little girl

I'd like to wake you up and say,
I want you in my world
Sometimes when I kiss you and look into your eyes
I have to turn away from you so you won't see me cry
I wish I could throw away the fear
I wish I could come right out and say
Baby, I'm dying for you
