You'll Never Know

Engelbert Humperdinck

Darling, Im so blue without you I think about you the live-long day When you ask me if Im lonely Then I only have this to say

Youll never know just how much I miss you Youll never know just how much I care And if I tried, I still couldnt hide my love for you You ought to know, for havent I told you so A million or more times?

You went away and my heart went with you I speak your name in my evry prayer If there is some other way to prove that I love you I swear I dont know how Youll never know if you dont know now

Youll never know just how much I miss you Youll never know just how much I care You said good-bye, no stars in the sky refuse to shine Take it from me, its no fun to be alone With moonlight and memories
