

Hang Your Head

Engineers

People are the saver
love just makes you sane
see the same behavior
taking shape again

Don't know how you braved it
no one you can blame
we both have the answer
hang your head in shame

Here's hoping that we could
change something to make things whole again

Yes I've found something left to give
and you're the same as me
tied up lost yourself
that's how it's always been

People are the saver
love just makes you sane
can't conceive of failure
don't believe in fate

Did nothing but feel good
you won't turn your back on me again
