

## Gravity of Love

Enigma

Turn around and smell what you don't see  
Close your eyes ... it is so clear  
Here's the mirror, behind there is a screen  
On both ways you can get in  
Don't think twice before you listen to your heart  
Follow the trace for a new start  
What you need and everything you'll feel  
Is just a question of the deal

In the eye of storm you'll see a lonely dove  
The experience of survival is the key  
To the gravity of love

The path of excess leads to the tower of wisdom  
(The path of excess leads to the tower of wisdom)

Try to think about it ...  
That's the chance to live your life and discover  
What it is  
What's the gravity of love

Look around, just people  
Can you hear their voice?  
Find the one who'll guide you  
To the limits of your choice

But if you're in the eye of storm  
Just think of the lonely dove  
The experience of survival is the key  
To the gravity of love
