

Sadeness (Part II)

Enigma

Amour
Douleur
Espoir
Désir
Vivre
Mourir

Viens chez-moi
Je suis ton destin
Sade J'ai compris
Sade Je te suis

See me now
Feel me now

All your life
You've been waiting for tonight
Now's the time to get it right
So dare to fly

All your life
You've been waiting to be free
Trade your pride for ecstasy
That'll make you
Reach the sky

Sade J'ai compris
Sade Je te suis
