

Total Eclipse of the Moon

Enigma

Miles Away From Light At Noon
Total Eclipse Of The Moon
Many Reasons To Believe In Life
Just Listen What It`s Telling You

Come And Have A Look Inside
Total Eclipse Of The Moon
Don`t Be Childish, Don`t Be So Cruel
I`m Feeling Just Lonely Without.... Without You

I Can See The Wide Horizons
But Debts Have To Be Paid
Our Ways Will Cross Again Someday
Believe, And Come Back To You...I`ll See You Soon

Time Doesn`t Say Hello
Total Eclipse Of The Moon
Many Nights In Our Lives Before
I Was Dreaming To Be Just Beside...Beside You

Total Eclipse Of The Moon...I`ll See You Soon
