

Why! ...

Enigma

I was childish and unfair
To you, my only friend
I regret, but now it's too late

I can't show you anymore
The things I've learned from you
Cause life just took you away

I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why

But someday, we'll meet again
And I'll ask you...

I'll ask you why
Why it has to be like this
I'm asking you why
Please give me an answer

Many years of stupid fights
Till we accept to see
How it was and would always be

Why it has to be like this
Why we don't realize
Why we're too blind to see
The one who's always on our side

I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why

Just tell me why
Why it has to be like this
That the good ones disappear
I'm asking you why

I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why
