1. Have I told you how good it feels to be me,
when I'm in you?
I can only stay clean
when you are around.
Don't let me fall.
If I close my eyes forever,
would it ease the pain?
Could I breathe again?

R: Maybe I'm addicted,
I'm out of control,
but you're the drug
that keeps me from dying.
Maybe I'm a liar,
but all I really know is
you're the only reason I'm trying.

2. I am wasted away,
I made a million mistakes.
Am I too late?
There is a storm in my head;
it rains on my bed
when you are not here.
I'm not afraid of dying,
but I am afraid of losing you.

R: Maybe I'm addicted...

*: When you're lying next to me
love is going through to me.
Oh it's beautiful.
Everything is clear to me
'till I hit reality
and I lose it all...
I lose it all...
I lose it all.
(I lose it all...)
Nah nah nah
nah nah nah....
Nah nah nah nah nah nah.....
nah nah nah nah nah nah....
