

Away

Enrique Iglesias

[Intro:]

Away aways, oh yea away away

This feels like the coldest day in a hurricane looking through
a glass window

And ya screaming to the top of yours lungs, and the bells done
rung

And the crowd can't hear you

And all that i can see is a building burning

I just gotta rescue my baby

But you don't even recognize me

And even though the feeling's been gone i just wanna be here

To pick up the little pieces of remains

I'm going down the plane is smoking

And the only one who can save me is you but you wanna throw me

[Chorus:]

Away, away, away, away, oh why

I wanna know

I wanna know why you wanna throw me

Away, away, away, away, oh why

I wanna know

I wanna know why you wanna throw me away

You used to ask why i was i so skeptic, of love

Girls cuz it changes, and it ain't got to be no real season

You start to live the dream and before you know

There's a door that open, and the moment you walk in it close

Maybe it's somebody else or a situation that you can't help

Oh love, oh love, oh love, oh love

Just ain't what it used to be

I confronted my fears with open arms

Although you said you will never give up on us but now you blow
me

[Chorus]

Perfect we said we'd never be

So why is this happening to me

No way no way (no way)

[Chorus]
