

# Love To See You Cry

Enrique Iglesias

(Come on. Let me tell you)

Maybe I just wanna touch you, feel your warm inside again  
Maybe I just wanna hurt you, the sweetest pleasure is me

I don't know why, why but I love to see you cry  
I don't know why, why it just makes me feel alive

Are you coming to the moment when you know your heart can break  
?

I'm inside you, I'm around you, just wanna hear you cry again

I don't know why, why but I love to see you cry  
I don't know why, why it just makes me feel alive  
I don't know why, why but I love to see you cry  
I don't know why, why but it makes me feel alive

You don't know how much it hurts when you fall asleep in my arms

Live this night before the morning comes I wanna run away, I wanna run away

I don't know why  
I don't know why  
I don't know why  
I don't know why

I don't know why, why but I love to see you cry  
I don't know why, why it just makes me feel alive  
I don't know why, why but I love to see you cry  
I don't know why, why but it just makes me feel alive
