

Tired Of Being Sorry

Enrique Iglesias

1. I don't know why
You want to follow me tonight
When in the rest of the world
With you whom I've crossed and I've quarreled

2. Let's me down so
For a thousand reasons that I know
To share forever the unrest
With all the demons I possess
Beneath the silver moon

R: Maybe you were right
But baby I was lonely"
I don't want to fight
I'm tired of being sorry

3. Chandler and Van Nuys
With all the vampires and their brides
We're all bloodless and blind
And longing for a life
Beyond the silver moon

R: Maybe you were right...

I'm standing in the street
Crying out for you
No one sees me
But the silver moon

*: So far away - so outer space
I've trashed myself - I've lost my way
I've got to get to you - got to get to you

R: Maybe you were right...

I'm standing in the street...

(lalalala till end)

R: Maybe you were right...

I'm standing in the street...
