It's your future,

SYSTEM MELTDOWN, MELTDOWN, MELTDOWN

STAND UP!

How are we gonna get through this alive, get through this alive,
(It's not too late, It's not too late)

STAND UP!

How are we gonna get out this alive, get out this alive, (It's not too late,
It's not too late)

STAND UP!

How are we gonna get through this alive, get through this alive,
(It's not too late, It's not too late)

STAND UP!

Countries are just lines, drawn in the sand

Inside this sick foundation,

We've had the realization,

Inside this sick foundation,

We've had the revelation,

Fuck all borders,

And fuck all boundaries,

Fuck all flags,

And fuck nationalities,

You've gotta give us a chance before we REACH A

Countries are just lines,

Drawn in the sand with a stick!

Inside this sick foundation,

We've had the realization,

Inside this sick foundation,

We've had the revelation,

We begin to learn to smile again,
Start to walk that extra mile again,
'Cause I know that,
WE ARE ONE!

(It's not too late, It's not too late)
STAND UP

(It's not too late, It's not too late)

Fear begins to vanish when we realize that countries are just lines drawn in
the sand with a stick!
