

## Return to Energiser

Enter Shikari

You look like you  
Rented a smile  
From someone but you  
Rented the wrong size

Take it back  
You should take it back

BURY IT  
That's not what you want  
That's not what you want

Cause that would grow more  
That's not what you want  
That's not what you want

We still have  
the element  
of surprise  
defence shields  
DOWN

Return to energiser (4x)

Wave your bloody white flags

surrender  
give in

that's not what you want (4x)

that's not what you

We still have  
the element  
of surprise  
defence shields  
down!

Return to energiser (8x)

And all hell breaks loose, when you're here...(4x)
