

## Postmortem Penetrations

Enthroned

Blessed by the unlord I m as i enjoy this moment given, when my  
limb hard  
and hot penetrate these hard cold apertures. Form these putrefa  
cted in which  
my crapulent seed....  
Is processing since my baphometric rapture....  
I wait for the night to glut my profanations that i need until  
once again  
I'll disturbed by the holy sun !  
As my excitations are rulin' my senses, I exhume a fresh corpse  
and unsew  
her eyes. then she will saw who's her processer....  
Her rigidity, makes be break some of her members...  
As I have to put in the right position for my penetration ! Yyy  
eeeeessss !  
My cock ploughed her arse when i scream the name of our master  
her theeth i must broke to let her dead mouth suck me in all of  
my  
satisfaction...  
her eyes explode when my cock perforate them and then...  
A strange sticky substance is running free all over her body  
It seems to be a mi of blood and matter, but.....NO  
she seems to be alive again possessed by unholy desire!

Oooooohhhh ! satan what a joy i felt at my ejaculation on the bo  
dy of sister  
ann.  
Nichols died in the love of god ! thos is not only a superstiti  
on...  
But the reality of my postmortem penetrations....

When the fate of the human race as arrive, a dark shadow will b  
urn the  
shadow of these tombs and my dark subconscious know a storming t  
hunder fires  
will break out, that sister aan nichols will return to suck me  
again and  
again till i die in eternal blasphemy under the sign of Koth !  
When the earth will open wide to swallow the credulous christia  
ns it'll be  
time for us to prepare the arrival of our father.  
satan summoned by the dead, will reign as the only monarch on t  
he mountains  
covered of bloody sacrificed angels !  
In the devil-sign all christian temples must be destroyed nothi  
ng will stand  
in the way of our hordes at the sound of the millennium black b  
ells !

Run run you can simply hide yourselves you'll never escape the a  
lmighty  
destroyer land of hell...

Near the trumpets of damnation played by the angels of death so  
on you will  
be dead and then I will penetrate you ass in eternal damnation.

Na, Na, Na,
