

Body

Body

Touched by the toil and plunged into his arm
Cursed thru the night thru eyes of alarm
A melody black flowed out of my breath
Searching for death, but bodies need rest

Body

Under the soil now waiting for worms
All that I feared is all that I've learned
All that I know is all that I think
Dead feelings are cool, down lower I sink, ah-hah

Bodies need rest, we all need our rest
Sleep an easy sleep ---rest ---rest
Bodies need their rest
We all need our rest
Sleep an easy sleep ---rest ---rest ---rest ---rest
But come back in the morning
Come back hard

Wake up

Wake up

Wake up

Wake up

Bodies

Clutching and biting my soul has caught on fire
My evil is now and I'm caught up in desire
Ev'rything I'm living for is all that I am
Liking it and loving it that's all in the plan
