

## Left Hand Path

Entombed

I am my own God  
Master slave and I will be beyond the grave  
No one will take my soul away  
I carry my own will and make my day

I am my own God  
See the truth beyond  
Through endless lies thy kingdom come  
Glorified wisdom illumination tool  
Self deceit it's the golden rule

Live your life you're gonna die your own death  
There's no one above that's gonna take your breath

I dip my forefinger in the watery blood  
Of your impotent redeemer  
And write over his thorn torn brow  
The true Prince of Evil

What man's created  
Man can destroy  
Bring to light  
That day of joy
