

Voices

Entrails

Voices tells me what to say and do

Nothing pleasant but I want to

Evil pleasures in my fantasies

Not enough NO! Not enough for me

Voices - Hell bound

Voices - Blood spill

Voices - Carnage

EVIL - voices

Am I evil or am I just insane

Am I a pervert, totally deranged

But I like the nasty thing I do

Living out my fantasy on you

Nothing could stop me from hurting you

Seeing you fear makes my dream come true

Evil pleasures in my fantasy

Not enough NO! Not enough for me
