

Awake in my sleep
And I hear the sound, the endless scream
I try to break out
(but) The flames around they burn me to the ground

It's not the way that I can't control the pain
My soul's too tired to crawl thru' the vagabond life
Freakin' out what it does to please me
Within' me I hope that I'll stay strong
Drainpipe dreams of life

Awake from my sleep
But still I hear the sound
Of an endless dream
I hate to be afraid
This insanity leads me astray

Facing out into the unknown
State of mind lays crushed on a floor
Glacial life rephrase what you are
Rephrase, replace, replace...
