

Nothing's Forever

Entwine

There's no desire at all
All gone with your love
And I'm slowly fading away
I always thought you'd be mine
Untill the end of time
But you're so far away from me

I'm gonna win back what I've lost
Nobody else to rule my world
It's just the way the story goes
... In my dreams

Have no will power to be strong
I collapse without your love
I'm half the man I used to be
I surely know the thrill is gone
But I'm still burning for you
Begin to doubt my state of mind
