

All Right

Enuff Z'Nuff

All Right Feels good,
Gotta say to myself.
I don't have a lot
But I still got my health.
Well all right.
(Oh yeah it's a sunny day)
Well all right.
(Oh yeah everything's okay)
It don't matter
When you see the light.
You would rather
Try and win the fight.
But you can't win them all
So it can't get you too uptight.
All right.

Yeah I know
That I'm sick in the head,
But I know I'm better off
Than sick in bed.
Well all right.
(Oh yeah it's a sunny day)
Well all right.
(Oh yeah everything's okay)

Anyway that you want it to be,
It don't really matter
All that much to me.
Well all right.
(Oh yeah it's a sunny day)
Well all right.
(Oh yeah everything's okay)
