

## My Heroin

Enuff Z'Nuff

Why does everybody dig the pain?  
It feels good, real good.  
Why is everybody now insane?  
Cocaine, so lame.

It's a sin, you can't win.  
Heroin.  
You can't win, the shape you're in.  
My heroin.

Where's the joy unless you feel the pain?  
Insane, no gain.  
It's a choice that you don't have to choose.  
One hit, you lose.

It's a sin, the shape you're in.  
Heroin.  
You can't win, it's a sin.  
My heroin.

There's a road that we all roam.  
It's the only road we know.
