

Aldebaran

Enya

Codladh fada,
Codladh domhain.
Eirigh! Amharc sios
Aldebaran.

Siuil liom trid an realta dearg.
Deireadh, deireadh an turas.
Realtog, realtog dearg.

Long sleep,
Deep sleep.
Rise! Look down
Aldebaran.

Walk with me through the red star.
The end, end of the journey.
Star, red star.
