

# Anywhere Is

Enya

1. I walk the maze of moments  
But everywhere I turn to  
Begins a new beginning  
But never finds a finish

2. I walk to the horizon  
And there I find another  
It all seems so surprising  
And then I find that I know

R: You go there you're gone forever  
I go there I'll lose my way  
If we stay here we're not together  
Anywhere is

3. The moon upon the ocean  
Is swept around in motion  
But without ever knowing  
The reason for its flowing

4. In motion on the ocean  
The moon still keeps on moving  
The waves still keep on waving  
And I still keep on going

R:

5. I wonder if the stars sign  
The life that is to be mine  
And would they let their light shine  
Enough for me to follow

6. I look up to the heavens  
But night has clouded over  
No spark of constellation  
No Vela no Orion

Mmmmmmm Mmmmmmmmm Mmmmmmmmm
