Summer. When the day is over there's a heart a little colder; someone said goodbye, but you don't know why. Somewhere there is someone keeping all the tears they have been weeping, someone said goodbye, but you don't know why.

Is there a reason
why a broken heart begins to cry?
Is there a reason
you were lost although you don't know why?
Give me a reason
why you never want to say goodbye.
If there's a reason,
I don't know why.

Always looking for a meaning, all the time you keep believing, but I don't know why you won't say goodbye. Even when the sun is shining you don't see the silver lining, but I don't know why you won't say goodbye.

Is there a reason
why a broken dream can never fly?
Is there a reason
you believe and then you close your eyes?
Give me a reason
why you hide away so much inside.
If there's a reason,
I don't know why.

Is there a reason
why a broken heart begins to cry?
Is there a reason
you were lost although you don't know why?
Give me a reason
why you never want to say goodbye.
If there's a reason
I don't know why.
I don't know why.
I don't know why.
I don't know why.
I don't know why.
