

Trains And Winter Rains

Enya

City streets passing by
Underneath stormy skies

Neon signs in the night
Red and blue city lights
Cargo trains rolling by
Once again someone cries

Trains and winter rains
No going back no going home
Trains across the plains
And in the sky a star alone

Every time it's the same
One more night one more train
Everywhere empty roads
Where they go no-one knows

Trains and winter rains
No going back no going home
Trains across the plains
And in the sky a star alone
Trains and winter rains
No going back no going home
Trains across the plains
And in the sky a star alone

Trains and winter rains
No going back no going home
Trains across the plains
And in the sky a star alone
Trains and winter rains
No going back no going home
Trains across the plains
And in the sky a star alone
