

Hello, hello
You don't belong
You're sinking faster than you ever you'd be sinking
(sinking)
Shipwrecked
But still the course is set
Anguish may linger but I'm here to tell you
Be expecting breakthrough

Tonight
I want to eject but so alive
Don't count me out just yet
I'm so alive
Truly
So alive
Just prove me

Goodbye to buried sin
Amazing grace begins
Restoring virtue
A day of new beginnings
A slate wiped clean
Til nothings left beside you
Everything is so true

Tonight
I want to eject but so alive
Don't count me out just yet
I'm so alive
Truly
So alive
Just prove me

Wake up wake up
(It's time to go)
No longer sleeping giants
You know, you know
(It's time to stand)
Complacently we've tried it
Tonight
Arise
Arise
