White Waters

I see a silhouette, liquid that moves Skin like a pearl in the sea I cannot resist this, her voice in the wind But is it my eyes are deceived? Is it you I see?

Lie down in my arms Trust what you see Smooth your brow, you will be with me To find your relief

Gazing at whitecaps, coming so close Everything's suddenly clear Numb with the aching, and still I am waiting The water is pulling me near Would you welcome me?

Lie down in my arms Try not to breathe Quiet love, you are now with me You need no words to speak

For my mistakes, I am to blame Never believed that it was all meant to fall I'd give my life, to have you near once again Take me away, would you forgive me?
