For My People

Here The E R I C K S E R M O N I'm dark skinned, pack a mac 10 more menace And I'll wreck the whole damn set Smash, you ain't seen shit yet

Yes, a fact, a black nine mil is what I pack In the front of my waist, right next to my bozack A safety for the suckers that hate me I haven't had to bust a couple of rounds lately

I hope not, it's no fun getting shot 'Cause when I cock, I aim straight for the knot I don't miss, I have a scope, no jokin' You should hope that disco appearance like broke

Mass destruction when I start crushin' and bustin' Duck MC's, I'm bumrushin' Swift wit the trig, there's nuff foes equipped Real deal, of course, I pack steel, shits thick

I'm not dumb, to walk the streets, they kept us swinging by A punk chump wit spunk, who dares to jump By the hour, I push power like Hiroshima Got dropped on by U.S.A. and like cleaned her I manage to damage people without a sequel This is for my people

Check out the main attraction, black man in action Number one crowd mover, I break backs in Boy, you shoulda known what EPMD stands for Sucker snappin' necks, bustin' caps and breakin' jaws

It's Erick and Parrish Making Dollars Excel, living well, taking no shorts and why bother To whine while I dine, sounds genuine You walked in the wrong camp, punk, stepped on a land mine

Boom bang, bust the slang that I bring From Brent wood, Long Island, all the way to Sing-Sing Yes the penile, peace to brothers on trial For some bullshit charge, mugshot on file

For hard time, thump beats like an Alpine No Sam Suey sole shoe shoot joints, back a Tech Nine Yes the brother's back with no knife or axe Just a microphone, sucker, it limits that pack

Def blows and flows, quadraverbs and echoes Sounds the pound hard to make an MC petrol My nine mil, kitted wit the infrared beam Something similar to a Roger Moore scene

That's James Bond, 007, with guillotine To keep the Hit Squad hype to fly heads like the A-Team Don't bug or miss, bug on the sequel For this shift I kick, it's strictly for my people. www.srovnavac.cz-šetříme na pojištění!
