## **Strictly Business**

Try to answer to the master or the MC rap God is no joke On the lyric, its hard to be modest I knew I was the man with the master plan To make you wiggle and jiggle, like gelatin Just think while I sink, into the brain structure (don't sleep on the e) you see, something might rupture I don't take time for me to blow your mind Take a second to wreck it because you're dumb and blind So just lounge, cause you're a MC clown Go join the circus, EPMD in town

Total chaos, no mass confusion Rhymes so hypnotizing known to cause an illusion Like a magician, who pulls a rabbit out a hat, son I pull them all like a .44 magnum MC freeze stop look and listen, and try to imagine Its traveling the speed of light, but everything's motion Is frightening, plus the thought you alone You now enter dimension, called the twilight zone You're terrified, plus you cant bear the thought You and I one-on-one, in the land of the lost You start to shiver, but then you scream, my friend Yo wake up muttley, because you're dreaming again But next time I'm on the scene, do not try to diss us Keep your mouth shut sucker duck, because I'm strictly business

This is the rap season, where the e starts pleasing Girls around the world no need to be skeezing When I roll I stroll, cool always pack a tool Just in case, a brother acts a fool Ive got the energy, to put the girls in the frenzy Put it in shock when I rock, give it up I'm not stingy Make sure I don't bore when I'm on the dance floor (get busy, boy) like you never saw before Rhyme flow, good to go, after the show, Ill pull your hoe, boy (Yo, you sniff blow? ), hell no! I got my whole life ahead of me, no time to be sniffing And my parents find out, then they start riffing So I stay, a-okay, cause I'm the e, the r-I-c-k

MC's look me in my face, then their eyes get weak Pulse rate descends, heart rate increases Its like beam me up, scotty, I control your body I'm as deadly as aids when its time to rock a party And all due respect, when I say mic check Let a sucker slide once, then I break his neck So when I say jump, you reply, how high? Because I'm taking no prisoners, so don't play hero and die Cause you're a soldier, and I'm a green beret I do not think twice about the MC's I slay So if you want to battle, I highly recommend this Bring your dog, mom, and dad, because I'm strictly business

Yo yo, you're still picking on that four-leaf clover? Bring in the sandman, sucker, because its over My name is Erick Sermon and I'm back again I see the heads still turning and my so-called friends

## **EPMD**

They smile in my face, behind my back they talk trash Mad and stuff, because they don't have cash Like the e-double, or the PMD He drives a corvette, I drive a samurai Suzuki I'm a locksmith, with the key to fame Never high on myself, always stay the same Play a lot because I'm hot, like a horse I trot Around the track and back, fatigued? no, I'm not

Well I'm the mellow, the fellow, the one who likes to say hello To a fly girl that is good to go With the slow tempo, and the off-beat rhyme flow Cause when I am in action, there is no time for maxing Or relaxing, just subtracting and reacting On a sucker MC who mouth keeps on yapping and flapping I lose my cool, then Ill start slapping and smacking You wanna roll? then Albee start jacking and capping No time to lounge, I'm packing and strapping At my point of attack I soar at you like an eagle I'm the sheriff, and biting is illegal So next time I'm in town, I highly recommend this You gots to chill, because I'm strictly business
