

Last Sunset

Epysode

[Kallon]

The light is coming back
The darkness returns to the neverland
I'll chase away the sin in my mind
To find something new inside

Tell me about your life
Before I see the last sunset

[Esh]

Now the sun is dying
This is the end of a forgotten secret
I'll go back to the Other Side
And close the doors of silence forever

[Esh - Kallon]

Tell me about your plans
Before you see the last sunset
To change the depraved thoughts of men
To give a future to your children
Through this last Sunset

[Esh]

Now that the sun is dying

[Kallon]

It's the end of a forgotten secret

[Esh]

I'll go back to the other side

[Kallon]

And you'll close the doors of...

[Esh - Kallon]

...silence forever

Tell me about your plans
Before you see the last sunset
To change the depraved thoughts of men
To give a future to your children
Through this last Sunset

[The Children - Kallon]

Tell me about your plans
Before you see the last sunset
To change the depraved thoughts of men
To give a future to your children
Through this last Sunset

[Maymos]

Through the neverland I'm falling
This is the end of a forgotten one
My redemption is done, now I can close my eyes...
