

# Blood And Punishment

Equirhodont

So what they want to tell me, those unknown voices ?  
What Lar wants to tell me?  
Why do my dear suffers ?  
Who avenged on them ?  
I shout with anger and scare.  
I will find you and i will return.  
I will find you.  
I will avenge you.

[Voice:] „I laugh to your wail, Grandiose Magus !

I laugh, however my eyes glow.  
Just remember who I am !

Once you find me, you will understand all !  
The guilt falls on you.  
Just remember who I am !

Remember, my Father !“

I don't know who you are. I don't know your voice,  
neither your minds.  
But I will find you.  
I will find you !  
I will find you !  
I will find you !

...and the eyes of the Daemons are upon you !
