Sinfoni Deo
Cante María

Until we can walk on free land
Until we can choose who to love
Until we can dance on honour
You hold my hands together

Until we can walk on free land
Until we can tell the children
That Earth is a safe place again
We'll stand and hold together

Ave María

Until we can walk on free land
Until we can choose who to love
Until we can dance on honour
You hold my hands together

Until we can walk on free land
Until we can tell the children
That Earth is a safe place again
We'll stand and hold together

Until the can choose who to love
Until the colour of your skin
Is not a fool twist of fate
We'll hold our hands together
