

## How Far Will You Go

Eraserheads

10 minutes before boarding (chain boarded passed)  
Do you still wanna change your mind (How long will it last?)  
No specific destination, just take it day by day  
Supersonic transportation, our trip is on the way

Don't blame my tendency mistake just call me till summer

How far will you go (2x)

10 seconds before takeoff (All seatbelts fastened)  
Unexpected detour shortcut (She just have the)  
Air pockets will be on the way just keep your confidence  
When there's a choice to be made there will be common sense

Don't blame my tendency mistake just call me till summer  
365 degrees remote control blame wanna

How far will you go (4x)

Long distance circumstance underground overseas (4x)

How far will you go.
