

Peace It Together

Eraserheads

We can if we want it to
Let's start with me and you
Both of us together
Basag ipagdiket-diket
Pusong punet-punet
Let's peace it together

At come on, come on let's join us
Buong Pilipinas
'Cause this is Natin99
Yes we can do it together
Let's peace it together
Natin, natin tayo all the time

Peace it

May tipaklong tumatalon-talon
Kahit di pa naman bagong taon
Tinanong ko anong meron doon
Ang sinagot nya sa akin ay
Natin99

Nag-abang ng taxi sa may tulay
Kanina pa pakaway-kaway
Di nagtagal ay may nagsakay
Papunta kami sa
Natin99

Andaming tao nag-uunahan
Kala mo naman mauubusan
Dahan-dahan sa tulakan
Hindi nyo ba alam ngayon ay
Natin99

May mga taga-Davao
Walang humpay kung sumayaw
Hindi ba kayo nauuhaw
Umiinom kami ng
Natin99

We can if we want it to
Let's start with me and you
Both of us together
Basag ipagdiket-diket
Pusong punet-punet
Let's peace it together

At come on, come on let's join us
Buong Pilipinas
'Cause this is Natin99
Yes we can do it together
Let's peace it together
Natin, natin tayo all the time

Peace man, peace man where have you gone?
Come back our work here is not yet done
Policeman, policeman put out the sun

O peace man, peace man where have you gone?

Peace, peace, peace it together
Peace, peace, peace it together
Peace, peace, peace it together
Peace, peace, peace it together

Lahat ng ito ay sa atin
Lahat ng ito tayong gumawa
Lahat ng ito ay sa atin
Gamitin natin

Nabasag na ang mga salarin
Lawakan mo ang iyong paningin
Sa labas ka pa rin ba nakatingin
O pare ko

So come on, come on let's join us
Buong Pilipinas
'Cause this is Natin99
Yes we can do it together
Let's peace it together
Natin, natin tayo all the time

We can if we want it to
Let's start with me and you
Both of us together
Basag ipagdiket-diket
Pusong punet-punet
Let's peace it together

Let's peace it together
Let's peace it together
...
