

Breathe

Erasure

1. Twenty-seven times
I paint the city in lights
Now I changed my mind
I was living fast
now I'm running on empty

And I feel yeah I feel
You're gonna go, let me go

R: Breathe, and I breathe
It's bitter without you I can't live without you
And I'm in love with you

2. Stood the test of time
Though I treated you rough
You were always kind
I let my head rule my heart
now I'm feeling so lonely

And I feel it's the deal
You're letting me go gonna go

R: Breathe and I breathe
Hollow without you I can't live without you
And I'm in love with you

R: Breathe I believe
Empty without you I can't live without you
And I'm in love with you

R: Breathe, and I breathe
It's bitter without you I can't live without you
And I'm in love with you

R: Breathe I believe
Empty without you I can't live without you
And I'm in love with you

R: Breathe I believe
I can't live without you I can't live with you
And I'm in love with you
