

## First Contact

Erasure

There was the first time  
I saw you in the underground  
You only heard the voices in the wind

Then came the next time  
They called me to the great unknown  
A transformation changing everything

Metamorphosis  
First Contact...

It was my first and only  
Encounter with the outer  
Reaches of space  
You send them through my heart

Repeat the first two verses
