

# Run to the Sun

Erasure

For the first time in my life  
I'm up to run away  
It's not a choice that I made easily

It's not that I'm ashamed  
To face the light of day  
It's really just a case of self delusion

And I know it ain't easy  
I know it ain't easy  
I know it ain't easy  
To see the truth

So run to the sun  
Here's one for the road  
And may God's love go with you  
My tears are starting to show  
Waah ...

Run to the sun  
And may God's love go with you  
I cry my tears  
Who will be my hero

That I should fall from grace  
Implies a twist of fate  
But I'm open to the joys  
And woes of passion

And who shall take the wheel  
When it's time for overkill  
There's no release when  
Destiny is calling

And I know it ain't easy  
Somebody reach me  
Willing to teach me

So run to the sun  
Here's one for the road  
Though I'll never be lonely  
Are you so high above me?  
Woah ...

Run to the sun  
See how my life is changing  
The days go by  
I wonder if I'll make it
