

Sucker For Love

Erasure

I'm a sucker for love
All that's artificial
Sometimes below
The belt I hit you

For without love
Hell freezes over
And wherever you go searching
Know I'll want some

Give me back my calling cards and vices
My dignity and romance novels too

The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now

If you wanna know the truth
I'm feeling open ended
For without love
I'm not tremendous

The world we share
It's not pretending
And whenever you go AWOL
Know I'll be there

Give me back the photographs I sent you
My residence and cool emotion too

The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now

You gotta ride
Ride, ride, ride

The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now

The love we have

Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now
The love we have
Is for the better now
