

# Sucker For Love

Erasure

I'm a sucker for love  
All that's artificial  
Sometimes below  
The belt I hit you

For without love  
Hell freezes over  
And wherever you go searching  
Know I'll want some

Give me back my calling cards and vices  
My dignity and romance novels too

The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now

If you wanna know the truth  
I'm feeling open ended  
For without love  
I'm not tremendous

The world we share  
It's not pretending  
And whenever you go AWOL  
Know I'll be there

Give me back the photographs I sent you  
My residence and cool emotion too

The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now

You gotta ride  
Ride, ride, ride

The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now

The love we have

Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now  
The love we have  
Is for the better now
