

Waiting for Sex

Erasure

Oooh la la la la
Oooh la la la la
Oooh la la la la
Oooh la la la la

Whatever you say has no effect
On my sense of well being
I reject the savage words
That issue forth without meaning

If you're waiting for sex then stand in a line
It's a million extra
You invade my inner space
And I tear out your guts for garters

Your eloquence is nothing more than hearsay
Your intelligence leaves much to be desired
Oooh you leave me restless
Oooh you leave me starblind

Step into my world and I will give
you a garland of roses.
We'll taste the heavy scent
And drift around for endless moments

But don't bother to come if your heart
Is so full of poison
That one drop of golden sun
Will melt you down into the west witch

Your eloquence is nothing more than hearsay
Your intelligence leaves much to be desired
Oooh you leave me restless
Oooh you leave me starblind

It's elementary my dear Watson free me
Or the Baskervilles will hunt you down tonight
You're not the world's most handsome man believe me
A thousand others like you standing by
Oooh you leave me restless
Oooh you leave me starblind
