

Fire Meets Ice

Ereb Altor

The cold mist in the land of shadows
Burning heat in the land of fire
The birth in a gaping hole where fire meets ice
Building the sleeping giant of rimfrost
Ymer, the father of the rimthurs awaken by the fire of Muspelheim
Giving life to all kinds
Betrayal, defiance, act of Gods
Three gods, Ve, Vile, and Oden, the slayers of Ymer
Drowning in blood, destroying his heirs
Hatred was born
Born by blood, fire and ice
A world built by the flesh of the father
Surrounded by the ocean of blood
The sky, up high, carried by the four
North, South, East and West
The skull of the giant placed by the black elves
