

# Alien Girl

Eric Bellinger

[Verse 1:]

Haitians, Blasians  
Black, white, latin, Asians  
I ain't never seen nothing like you, you're so amazing  
Shine so bright like you're a constellation  
You must be from outer space unless it's your invasion

[Pre-Chorus: x2]

You're my alien girl,  
You're out of this world  
If you're an alien girl  
I don't wanna be human

[Chorus:]

I don't wanna  
Don't wanna be a human  
I don't wanna  
I don't wanna be a human  
I don't wanna  
Don't wanna be a human  
Don't wanna, I don't wanna  
I don't wanna be a human

[Verse 2:]

Haitians, Blasians  
Black, white, latin, Asians  
I ain't never seen nothing like you, you're so amazing  
Shine so bright like you're a constellation  
You must be from outer space unless it's your invasion

[Pre-Chorus: x2]

You're my alien girl,  
You're out of this world  
If you're an alien girl  
I don't wanna be human

[Chorus:]

I don't wanna  
Don't wanna be a human  
I don't wanna  
I don't wanna be a human  
I don't wanna  
Don't wanna be a human  
Don't wanna, I don't wanna  
I don't wanna be a human

[Bridge:]

Oh oh oh oh oh  
You're an alien  
Oh oh oh oh oh  
My little alien  
Oh oh oh oh oh  
You're an alien  
Oh oh oh oh oh  
And I don't wanna be a human

[Pre-Chorus: x2]

You're my alien girl,  
You're out of this world  
If you're an alien girl  
I don't wanna be human

[Chorus:]  
I don't wanna  
Don't wanna be a human  
I don't wanna  
I don't wanna be a human  
I don't wanna  
Don't wanna be a human  
Don't wanna, I don't wanna  
I don't wanna be a human

I don't wanna be a human  
I don't wanna be a human
