

Designer

Eric Bellinger

This gon' be your favorite song

Anything you want
Baby it's the finer things you deserve
It's all in what you do
So much you know how to say with no words

I want you in, all when you walk in your closet
Flipping out when you see that deposit
Balmain, Giuseppe, Chanel
I copped that for you

I wanna see how good you look with that designer on you
Who gives a fuck about a price tag
I want that for you
You take care of me
I take care of you
All you do for me I'mma do for you
Anything you want I got it for you
You take care of me
I take care of you

You don't have to drive
You know I'mma send a car to pick you up
And baby I won't lie
I'm touching you inside, girl show love?

I want you in, all when you walk in your closet
Flipping out when you see that deposit
Jimmy Choo, Alexander
I got that for you

I wanna see how good you look with that designer on you
Who gives a fuck about a price tag
I want that for you
You take care of me
I take care of you
All you do for me I'mma do for you
Anything you want I got it for you
You take care of me
I take care of you

You know I'mma take care of you
You know I'mma take care of you
Designer on you
(That designer, that designer)
I want that for you
(That designer, that designer)
